### Roman Missal, Third Edition

Once again as part of the remote

preparation for welcoming the new Roman Missal, for six more weeks we will offer answers to the most commonly asked questions regarding the new translation

*4. Can we start using the texts approved by the bishops immediately?*

*The translation of the Missale Romanum cannot be used in the celebration of the Mass until the complete text is confirmed by the Holy See. Once the translation receives the recognitio, the USCCB will establish the first day on which the new translation may be used. Use of the revised text requires preparation and catechesis for both priests and the faithful. When the time comes to use the texts in the celebration of the Mass, priests will be properly trained, the faithful will have an understanding and appreciation of what is being prayed and musical settings of the liturgical texts will be readily available.*

### Peter's Pence Collection

### Stewardship Announcement

When Jesus commissioned the seventy-two disciples to preach in His name, He sent them without provisions that they might trust completely in God for the success of the mission. As we continue Jesus' work today, let us trust that He will provide us with all we need.
