realize how important you are to us

and traditions of Holy Name.

Fathers Day is June 20th. If you would
like to honor your father or loved one in
a special way, please consider the
Father's Mass League. Members will be
prayed for at a Mass said once a month
at Holy Name. Father's Day Cards are
now available at the entrances to the
church. Please place your Mass
Remembrance envelope in the offering
basket or send to the rectory.

Seminarians

As you read in Father's letter last
week, our seminarians have arrived
for the summer. We have two fine
young men that will be contributing
their time and talents to the parish
and our school.

If you would like to show your
support, one way is by providing a
meal a few times a week or you
might consider inviting them and Fr.
to your home for a home cooked
meal. It's a very easy way to show
them how much we appreciate their
hard work.

Please call Jackie, 451-6622 if you
would like to help!

More Congratulations:

Please Pray for the soul of Sr. Mary Adolorata

Funeral services were held Wednesday of this week for Sister Mary Adolorata Watson, former teacher and principal at Holy Name. She celebrated her 95th birthday two days before her death. Many of you remember Sister as a teacher at Holy Name High School in 1943 and from 1946-'51, returning as principal from 1966-1969. Sister will be remembered for her great mind and teaching skills. She will be greatly missed by many.

Thank you to everyone who helped make last weekend's sale a big success. Many great people gave their time to help with preparations that required hauling, moving, arranging and pricing items. Others helped during the sale to keep things running smoothly. They carried large items for people, answered questions and collected payments. Thank you to our donors and everyone who helped in anyway. The sale netted three thousand, seven hundred twenty three dollars. We were blessed to have so many people supporting this huge undertaking. The Holy Name Spirit is alive and well!

Roman Missal, Third Edition

As part of the remote preparation for welcoming the new Roman Missal, for the next nine weeks we will offer answers to the most commonly asked questions regarding the new translation.

1. Why is there a need for a new translation?

Pope John Paul II issued the third edition for the *Missale Romanum* (the Latin text of the *Roman Missal*) during the Jubilee Year in 2000. This new edition included many new texts requiring translation. In addition, the experience of the years since the Second Vatican Council gave rise to a desire for more formal and literal translations of the original Latin texts. This new translation will employ the best of what we have learned about translation and liturgical language in two generations of celebrating the Liturgy in the vernacular. It will provide an opportunity to reflect ever more deeply on the Eucharistic celebration that lies at the heart of the Church's life.

The message of stewardship is about being intentional in our participation in parish, community and family life. It is about supporting all of these in some way with our resources of time, talent and treasure

More Americans Pro-Life than Pro-Abortion

A Gallup survey released the results of a new survey confirming, for the third time in the last year, that more Americans call themselves pro-life than "pro-choice" on abortion. That's enough for the respected polling firm to say a pro-life majority is the "new normal" in the United States. Because this is the third consecutive time Gallup has found more Americans taking the pro-life position, the polling firm calls the results "a real change in public opinion." You may read the full story at LifeNews.com.
