Peter's Pence Collection

Next week our diocese will take up the Peter's Pence Collection, which provides the Holy Father with the assistance he needs to carry out his most important charitable works. The proceeds benefit the most disadvantaged: victims of war, oppression and disasters. Through your generosity, with Pope Benedict we can cast the love of Christ upon the world.

Seminarians

As you read in Father's letter last week, our seminarians have arrived for the summer. We have two fine young men that will be contributing their time and talents to the parish and our school.

If you would like to show your support, one way is by providing a meal a few times a week or you might consider inviting them and Fr. to your home for a home cooked meal. It's a very easy way to show them how much we appreciate their hard work.

Please call Jackie, 451-6622 if you would like to help!

Volunteers Needed!

The TeamMates mentoring program is looking for volunteers to work with grade school students this coming school year. The mentor needs to be 18 years old and able to spend one hour a week with a student during their school day. We currently have 26 mentors at the Catholic Schools and are finding it to be a very positive and enriching experience for both the students and mentors. You can call the TeamMates office, 1-877-531-8326 or go to www.teammates.org for more information.

Roman Missal, Third Edition

As part of the preparation for welcoming the new

Roman Missal, we will offer answers to the most commonly asked questions regarding the new translation.

Who is doing the work of translation?

The process of translating liturgical texts from the original Latin is a highly consultative work done by several groups. The International Commission on English in the Liturgy (ICEL) prepares English translations of liturgical texts on behalf of the Conferences of bishops of English-speaking countries. The USCCB and the other member Conferences receive draft translations of each text and have the opportunity to offer comments and suggestions to ICEL. Then ICEL proposes a second draft, which each Conference approves and submits to the Vatican for final approval. Each Conference reserves the right to amend or modify a particular text. At the Vatican, the Congregation for Divine Worship and the Discipline of the Sacraments examines the translated texts, offers authoritative approval (recognition) of the texts and grants permission for their use. The translation and review process is guided by the guidelines in *Liturgiam Authenticam*, issued in 2001, an instruction from the Congregation that outlines the principles and rules for liturgical translation. In 2007 the Congregation also issued a *ratio* outlining the specific rules for translation in English.

4 Stages of Marriage

The 4 stages of marriage are:

- (1) Romance,
- (2) Disillusionment,

(3) Misery and (4) Awakening. Many marriages experience the first 3 stages. Marriages that end in divorce never make it to the 4th Stage of Awakening. Don't give up without learning about the 4th Stage of Awakening. If your marriage suffers from Disillusionment or Misery please contact Retrouvaille. For confidential information about or to register for the August Program beginning with a weekend on August 6th-8th call 1-888-317-5654 or

Stewardship and the Sunday Readings

"For whoever wishes to save his life will lose it, but whoever loses his life for my sake will save it." The challenge of stewardship is found in the **giving up**. Giving up the urge to hold on to our time or talent or treasure. Giving up the desire to control how these are used to support parish life and ministry. The comfort and grace of God experienced through stewardship comes from the very same **giving up**.
