The mentor needs to be 18 years old and able to spend one hour a week with a student during their school day. We currently have 26 mentors at the Catholic Schools and are finding it to be a very positive and enriching experience for both the students and mentors. You can call the TeamMates office, 1-877-531-8326 or go to [www.teammates.org](http://www.teammates.org) for more information.

### Peter's Pence Collection

Today we support the Holy Father in his charitable works. The Peter's Pence Collection is taken up worldwide in an effort of solidarity to support the most disadvantaged: victims of war, oppression and natural disaster and others in need of emergency assistance. Pope Benedict XVI has said, "God's love...gives us the courage to continue seeking and working for the benefit of all". Cast the love of Christ upon the world---- please be generous in today's Collection.

### Stewardship and the Sunday Readings

“For the whole law is fulfilled in one statement, namely, **“You shall love your neighbor as yourself.”** Paul repeats the very words used by Jesus about loving neighbor. The whole of stewardship is fulfilled in living out this command to love neighbor as yourself. Said another way, embracing stewardship as a way of life, leads to living this great commandment. Embracing stewardship and loving your neighbor as yourself are mutually fulfilling.

### Roman Missal, Third Edition

Once again as part of the remote

preparation for welcoming the new Roman Missal, for seven more weeks we will offer answers to the most commonly asked questions regarding the new translation

### 3. What's new or different about the revised translation?

*The style of the translation of the Third Edition is different. In accord with the rules for translation established by the Holy See, the revised translation follows the style of the original Latin texts more closely, including concrete images, repetition, parallelisms and rhythm. The English used in the Mass texts is more formal and dignified in style. Where possible, the texts follow the language of Scripture and include many poetic images,*

*In addition, the Third Edition contains prayers for the celebration of recently canonized saints, additional prefaces for the Eucharistic Prayers, additional Masses and prayers for various needs and intentions and some updated and revised rubrics (or instructions) for the celebration of the Mass.*
